\* Ornate and display type faces will be printed on a case-by-case analysis.

\* Registered marks and trademarks should be enlarged for clear printing.

- This PDF file is being viewed on an RGB monitor therefore there will be a variance between the color on your screen and the color of the actual finished product.
- This proof should be used to inspect the layout, spelling, color selection and approximate color appearance.
- Colors printed on different mediums (ie: leash and label) will not be an exact match.
- This proof is not an exact match of the finished product color or quality of the printed piece.
